Entry Requirements

Candidates should normally be qualified specialist assessors with a Level 7 Postgraduate Diploma, or equivalent, and be familiar with diagnostic assessment report writing.

Applying for and Renewing an Assessment Practising Certificate (APC) Course

On successful completion of this course participants will be able to:

- | | |
|---|---|
| 1 | Identify the criteria for Assessment Practising Certificate (APC) Renewal. |
| 2 | Demonstrate a sound understanding of important basic APC statistical constructs such as the normal distribution curve and confidence intervals. |
| 3 | Confidently interpret and review sections of diagnostic reports from other practitioners. |
| 4 | Recognise the characteristics that distinguish a diagnostic report that meets the SASC APC renewal criteria. |
| 5 | Recognise the critical importance of continuing professional development for the specialist assessor professional. |

Please note this course does not give participants an Assessment Practising Certificate. For further details on gaining an APC please click here:

<http://www.dyslexiaaction.org.uk/page/assessment-practising-certificate>

This course will give you the principles of and a detailed review of the requirements of a competent diagnostic report but it does not offer an individual mentoring service.

PLEASE NOTE

- A free induction course is released to all participants **two weeks before the course start date** to help participants prepare for studying an online course with Dyslexia Action. Tutor support is available during the induction phase.
- Dyslexia Action Training and Professional Development reserves the right to change course start dates and/or schedules subject to numbers.
